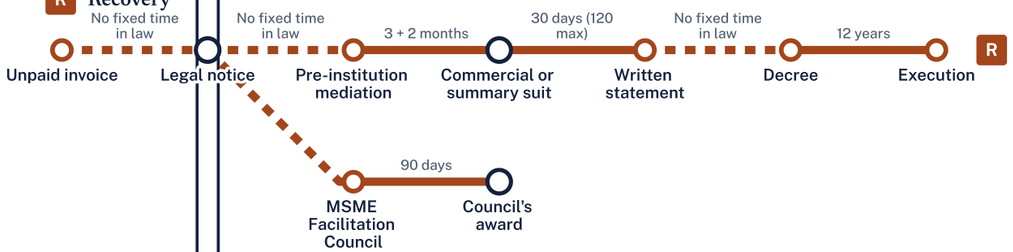
The legal route map.

Where you stand, and the road ahead.

N Cheque bounce

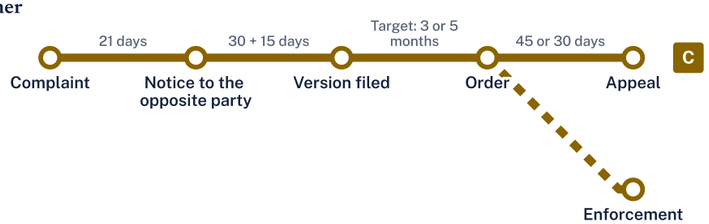
R Recovery



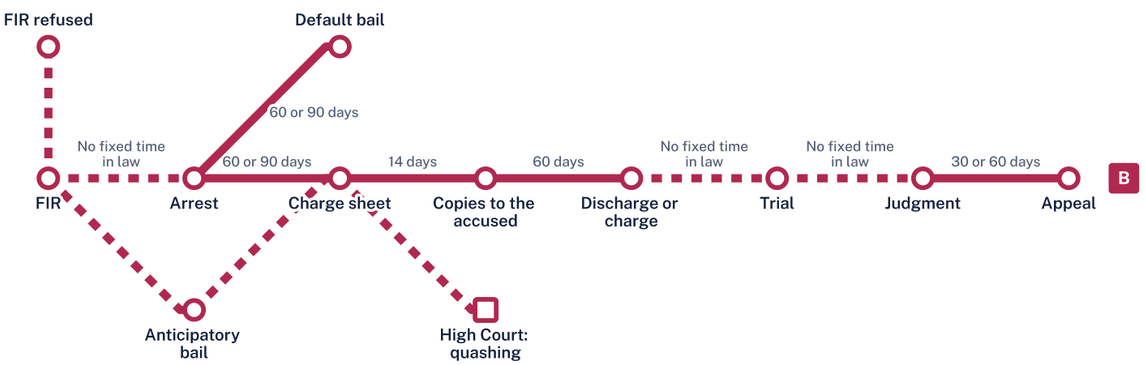
A Arbitration

I Insolvency and SARFAESI

C Consumer



B Criminal



Only time limits set by law. Where the law sets none, the leg says "No fixed time in law". Where the Act sets a target for the court rather than a deadline, the leg says so. The map does not estimate how long a court will take, and it says nothing about outcomes.

The six lines

- **N** Cheque bounce line
- **R** Recovery line
- **A** Arbitration line
- **I** Insolvency and SARFAESI line
- **C** Consumer line
- **B** Criminal line

- A step in the process
- Interchange with another line
- A court the route connects to
- Dashed: no fixed time in law

Interchanges
